Mr. Howland Wood,

Dear Mr. Wood:

Your favor of the 13th with $3.47 enclosed duly received, and for which I am very much obliged. The suggestions for a uniform standard of classifying the condition of coins are excellent, and I would be very glad to lend my support for their adoption at the annual meeting. There should also be a code of honesty for buyers and collectors at auction sales. The trouble does not all lie with the dealers, some buyers take most unfair and unjust grounds for returning lots bought at auction for them, and the A. N. A. should be called upon to in some way to protect the dealer from unfair dealing on the part of the collector. I intend to attend the annual meeting, though it comes at a very bad season for me, as I am one of the registrars appointed by the Court, and our first sitting is September 2nd. Whether I can get the Judges to get a substitute or not I do not know, but I am going to make an application. Will you bring forward at the A. N. A. Convention, the suggestion of this Classification and then have it discussed and after the discussion for and against it, could be adopted or rejected.

I am very glad to see that Farran Zerbe has come out as a candidate for President, and I am glad to give him my support. It seems to me that one

term as President should be all that anyone should be allowed to hold consecutively. What do you think of my bringing forward at the annual meeting, A. R. Frey's connection with the Frossard transaction?

Very truly yours,

Henry Chapman

Can you not get Special Rates to the Convention on the R.R's? Take the matter up with the Trunk Line Assn.

Mr. Howland Wood,

Dear Howland:

The package of coins received today and I have given credit to Mr. Chase for those returned by him. Also received your unpublished Colonial of 1776. Do you wish this placed in the sale which I will hold on the 3rd and 4th of November? or do you wish me to try to put it in the Earle collection? sale of which will not be held until January. What is your limit or price for it? I have no idea of its value, and I would like to have you pleased instead of disappointed in the result, and therefore, please send some expression of your idea of its value before I catalogue it. If you want it in the sale of the 3rd and 4th, kindly let me have your answer by return of mail.

Very truly yours,
